This website is a publication of Confidential Management Advisors, Inc. (CMAI). Information presented is believed to be factual and up-to-date, but we do not guarantee its accuracy and it should not be regarded as a complete analysis of the subjects discussed. CMAI is not engaged in the practice of law or accounting.

Information on this website does not involve the rendering of personalized investment advice, but is limited to the dissemination of general information related to services provided by CMAI. A professional adviser should be consulted before considering implementation of any strategies presented. Information on this website is not an offer to buy or sell, or a solicitation of any offer to buy or sell any securities which may be mentioned herein.

Any hyperlinks on this website are provided as a convenience and we disclaim any responsibility for information, services or products found on websites linked hereto.

CMAI is registered as an investment adviser with the United States Securities and Exchange Commission (SEC). The firm only transacts business in states where it is properly registered, or is excluded or exempted from registration requirements. SEC registration does not constitute an endorsement of the firm by the Commission nor does it indicate that the adviser has attained a particular level of skill or ability.

Past performance may not be indicative of future results. Therefore, no current or prospective client should assume that the future performance of any specific investment or investment strategy (including the investments and/or investment strategies recommended by the adviser), or product made reference to directly or indirectly on this website, or indirectly via hyperlink to any unaffiliated third-party website, will be profitable or equal to past performance levels.

All investment strategies have the potential for profit or loss. Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment will either be suitable or profitable for a client's investment portfolio. Asset allocation and diversification do not guarantee better performance and cannot eliminate the risk of investment losses. Economic factors, market conditions, and investment strategies will affect the performance of any portfolio and there are no assurances that it will match or outperform any particular benchmark.

Members of CMAI are registered representatives of Confidential Management Financial Services, Inc. (CMFS), member firm of the Financial Industry Regulatory Authority (FINRA) and the Security Investor Protection Corporation (SIPC.) In their capacity as registered representatives, these persons may earn commission-based compensation in connection with the purchase and sale of securities, including 12b-1 fees on the sale of investment company products. CMFS is also a licensed Michigan insurance agency. Persons providing investment advice may also be licensed insurance agents and may receive additional compensation for such transactions. Persons providing advisory services on behalf of CMAI also provide investment advisory services on behalf of Ficast Corporation, also an SEC registered investment adviser.
